

International Journal of Sino Western Studies (IJS) is a Chinese English bilingual academic journal, which is published twice a year in June and December in Finland by Nordic Forum of Sino-Western Studies. It is published simultaneously both in printed and electronic (online) versions. The articles published in this journal do not necessarily represent the view or position of the journal or of the editorial board. No part of this journal may be reprinted, reproduced, or utilized in any form or by any means, presently known or hereafter invented, without permission in writing from the publishers, except quoted in academic works or book reviews. All correspondence please address to:
